

# **Cyberonites Vulnerability Disclosure Program Code of Conduct**

## **Introduction**

At Cyberonites, we prioritize the security and privacy of our users and their data. To enhance our security, we encourage security researchers to responsibly disclose any vulnerabilities they find. This Code of Conduct outlines the standards and expectations for participating in our Vulnerability Disclosure Program.

## **Scope**

This Code of Conduct applies to all participants in the Cyberonites Vulnerability Disclosure Program, including security researchers, ethical hackers, and any other individuals who report vulnerabilities.

## **Standards of Behavior**

### **1. Responsible Disclosure:**

- Report vulnerabilities to us promptly and provide detailed information to help us understand and reproduce the issue.
- Do not publicly disclose vulnerabilities without prior coordination with Cyberonites.

### **2. Respect and Fairness:**

- Treat all individuals with respect, regardless of their role or relationship to Cyberonites.
- Avoid actions that could harm our users, employees, or infrastructure.

### **3. Professionalism:**

- Conduct your research in a lawful and ethical manner.
- Do not exploit vulnerabilities beyond what is necessary to confirm their existence.

## **Compliance with Laws and Regulations**

Ensure that all activities conducted under this program comply with applicable laws and regulations. Unauthorized access, data theft, or damage to systems is strictly prohibited.

## **Confidentiality**

Protect any confidential information you may encounter during your research. Do not disclose, share, or use this information for any purpose other than reporting the vulnerability to Cyberonites.

## **Conflict of Interest**

Avoid any situation where personal interests could conflict with your responsibilities under this program. If you believe a conflict of interest may exist, disclose it to us immediately.

## **Use of Resources**

Use Cyberonites resources solely for the purpose of identifying and reporting vulnerabilities. Do not use these resources for any unauthorized activities.

## **Reporting Violations**

Report any unethical behavior or breaches of this Code of Conduct to Cyberonites immediately. We will investigate all reports and take appropriate action.

## **Consequences of Violations**

## **Cyberonites Vulnerability Disclosure Program Code of Conduct**

Violating this Code of Conduct may result in disqualification from the Vulnerability Disclosure Program, legal action, or other consequences as deemed necessary by Cyberonites.

### **Acknowledgment**

By participating in the Cyberonites Vulnerability Disclosure Program, you acknowledge that you have read, understood, and agree to comply with this Code of Conduct.
